Watch Stopped too Soon

Charles Mulcahy had Ben Mindlin, the pawnbroker, arrested yesterday for obtaining money on false pretenses.

Mulcahy purchased a watch from Mindlin for which he paid the sum of \$3 and received with it a guarantee that it would run for five years with occasional windings. The complainant alleges that the watch stopped a short time after he left the shop and that Mindlin would not fix it or return his money. Mindlin has employed counsel and will fight the case, which is set for tomorrow.

The photographs that can be washed with a wet cloth and remain permanent are to be had from the Green gallery, one-half block from Broad street bridge.

JOINTISTS PLEASED

Statehood Cranks Glad of Wakefield's Appointment as Land Office Register

Reports from Phoenix are to the effect that joy reigns supreme in the breasts of Arizona jointists and all because President Roosevelt has appointed Lyman Wakefield of Tucson to the position of register of the Phoenix land office.

To the jointists Wakefield's appointment marks the turning point in the adverse fight they have been waging for recognition in Arizona politics since several Republican leaders in the last territorial campaign bolted their party.

Wakefield trains with the jointists and is satisfactory to C. F. Ainsworth, Allen T. Bird, General T. F. Wilson, United States Marshal Daniels, who are ringleaders in the movement to unite Arizona and New Mexico.

In the last campaign, United States Marshal Daniels was one of the few prominent federal officers who dared to come out into the open for joint statehood, repeatedly declaring himself for the unholy nuptials of the two territories.

Openly asserting that in future all federal appointments in Arizona will be made from the ranks of the jointists, they are now crowing over federal officers who either remained passive in the last campaign or came out against jointure.

Bell's efforts that the new church, the first one for colored people in Globe, was erected, and he deserves great credit for his excellent work.

The ladies of the Catholic Altar society will meet at the residence of Mrs. J. H. Callen July 9 at 3 p. m.

CELEBRATE ON TONTO

Tonto Bill Writes of Big Doings in the Basin Thursday

TONTO, July 4.—As the ladies of Cline had made the resolution some time ago to outdo any Fourth of July celebration heretofore in Tonto basin, therefore, everybody far and near was invited and the result was that there was a gathering of about two hundred by the Tonto river among the large cottonwoods. There were visitors from Strawberry, Roosevelt and surrounding country. Yes, also from Maricopa.

The program of the day: Speaking, orators, Judge A. J. Howell and J. M. Clanton. After speaking a very large table was spread good enough for a king. One of Tonto Basin's best yearlings and a few of its kids had to die for the occasion, which were barbecued by Mr. Felix Lann, who is an expert in that line. Vegetables of all kinds, coffee of the blackest kind (strong), flavored with pure cream. There were no end to the different kinds of pies and cakes. I do not think White House Cook Book has any more and the best of it was that there was enough to feed a regiment. After dinner several kinds of sports, horse racing, fireworks, gun practice on rattlesnakes, etc. When dark set in dancing commenced at the Cline schoolhouse, which ended in the morning. During all this time Mr. Bill Thompson of Roosevelt was kept busy serving ice cream and lemonade.

EXTENSION OF HOLIDAY FOR THE O. D. MINERS

The regular shift at the Old Dominion mine will not go on until Wednesday morning. This is owing to the fact that more work was required on the first-motion hoist than was anticipated. The pump should be lowered tomorrow morning and the placing of the guides in the shaft after this is done will require considerable time. One compartment had to be stripped of guides to the 14th level.
